16 November 2011

Ms. Dana Irina Simion
Head of Unit
Director/ Safety of the Food Chain
Health and consumers Directorate-General
European Commission

Dear Ms. Dana Irina Simion:

This is in relation to your letter dated 25 October 2011 on Korean Bonsai plants for export to the European Union (EU).

We already informed you the list of registered nurseries of Korean Bonsai plants including three genera (*Pinus* sp., *Juniperus* sp. and *Chamaecyparis* sp.) and other specified plants designated for the host of *Anoplophora chinensis* (Forster) for export to the EU in the letter dated 1 August 2011.

In response to your requests, we separately send you the above-mentioned list of three genera as an attachment.

If you have any questions on this matter, please feel free to contact us.

Sincerely yours,

Hyun-Kwan SHIN
Director

Export Management Division
Department of Plant Quarantine

Attachment : The list of the registered nurseries of three genera (*Pinus* sp., *Juniperus* sp. and *Chamaecyparis* sp.) of Korean Bonsai plants for export to the EU.
